

# KOA Partners with Tasty Bite® for Sampling Program at Select Campgrounds

Press Release Date: August 10, 2021

KOA NEWS SERVICE (August 10, 2021) – Kampgrounds of America, Inc. (KOA) and Tasty Bite® are bringing the Tasty By Nature tour to select campground locations across the United States. The tour will visit more than 40 KOA campgrounds and offer campers organic, ready-to-eat samples as well as the chance to win prizes.

Tasty Bite® offers a line of vegetarian or vegan, non-GMO entrees packed with exotic flavors and spices. Easy to heat at home or on the go, the entrees feature real ingredients that are healthier for you and can be prepared in just a few minutes. Tasty Bite® makes for the perfect outdoor companion for campers, hikers and roadtrippers.

“It’s important for us to partner with companies that not only align with our KOA values, but also provide value to our camping guests,” said KOA’s Chief Marketing Officer, Whitney Scott. “Tasty Bite® definitely fits that bill.”

The Tasty By Nature tour will visit more than 40 KOA campgrounds across the country to share some of the companies most popular products— Organic Madras Lentil (a delicious vegetarian Chili) and Chana Masala, a delicious and bold blend of chickpeas, onions, tomatoes, and spices. Campers will not only be able to try a sample, but also enter to win a selection of prizes for outdoor adventures.

Tasty Bite® samples will also be available to guests at additional KOA campgrounds not included on the tour route.

Follow the Tasty By Nature tour by visiting Tasty Bite® on Facebook, Instagram or Twitter.
