

Town & Country Campark Now the Sussex KOA

Press Release Date: October 7, 2016

KOA News Service (October 7, 2016) – Kampgrounds of America is pleased to announce that the Town & Country Campark has become the Sussex KOA.

“We’ve owned the campground since 2008,” says Thomas Boudrea, who owns the campground with his wife, Kim. “Our philosophy has always been to provide a safe and friendly family camping location. We joined the KOA system because of the brand recognition it provided.”

The Sussex KOA offers comfortable pull-through and back-in RV Sites with up to 50-amp service and either full or partial hookups. A large group area offers back-in sites with no hookups. One-room Camping Cabins and Tent Sites are also popular camping options.

Amenities at the park include three swimming pools, a splash pad, jumping pillow, multiple playgrounds, a basketball court and horseshoe pits. Activities, including dances and bingo, keep campers of all ages busy and having a great time. One of the most popular attractions is the adjacent Sussex Drive-In, the only drive-in movie theater in southern New Brunswick.

Located at 133 Alton Road, the Sussex KOA is one of 490 open-to-the-public KOA campgrounds in the Kampgrounds of America system in the U.S. and Canada. For more information, please visit www.koa.com or phone 506-432-6788. Reservations may be made online or by calling 800-562-9151.

Kampgrounds of America is celebrating its 54th Anniversary in 2016. KOA, the world's largest network of family-friendly campgrounds, was born on the banks of the Yellowstone River in Billings, Montana in 1962.
